Monsignor Jerome E. Schmit Youth Foundation

Aiding in the spiritual development of tomorrow's leaders!

In 1991, Logsdon-Walla Post 639 Commander Kenneth A. Reihing initiated having the Post honor its beloved chaplain of over 25 years, Monsignor Jerome E. Schmit. The Youth Foundation was established to perpetuate his work with the young people of the Toledo diocese. Harold M. Lincoln was the General Chairman from 1991 through 2000. Mike Boyle took over as the chairman in 2000 and continues to serve in that role today.

Funds for the Foundation are raised primarily through the annual dinner. Through the Monsignor Jerome E. Schmit Youth Foundation, we are able to present scholarships each year to one high school student at each of the six metro-Toledo Catholic High Schools who demonstrate financial need, as well as keeping a solid grade point average. This Foundation also benefits the CYO Athletic program, the Youth, Young Adult & Campus Ministry programs and the Catholic Club. Over the past nine years over \$500,000 has been disbursed from the fund to benefit our diocesan youth.
