

Asset Allocation Descriptions

Aggressive Growth Pool – The Aggressive Growth Pool seeks capital appreciation. The asset allocation is 100% invested in equities. The equity allocation is broadly diversified, offering domestic and international market exposure, investing in equities in developed and emerging markets. The equity exposure also includes an allocation to real estate investment trusts. The strategy is appropriate for investors that can tolerate the volatility of investing only in the public equity market. The pool is designed for long term endowed funds and those with a long term time horizon (over 10 years).
