

2019 CANA II ENGAGED COUPLES WORKSHOPS

WHAT IS CANA II PREPARATION?

A one-day marriage preparation workshop designed for couples where one or both individuals has been married before. The workshop is facilitated by team couples who share their experiences in a second marriage and includes both group talks along with small group sessions. Possible topics covered in the workshop include:

- Marriage Expectations Inventory
- Closing the door (previous marriage, death, and single life)
- Communication and Married Love
- Finances
- Blending families
- Exercises to facilitate open and honest communication
