Dear Volleyball Official,

The Catholic Youth Organization (CYO) is requesting your services for our volleyball program once again this season. Our high school league is for girls who are not playing on their high school Freshmen, JV or Varsity teams. Due to the current COVID-19 situation, we are starting our season two weeks later than normal and most likely eliminating tournaments to play six weeks of league play.

In most cases we assign only one licensed official to our junior high and high school matches. We will then utilize our high school workers to work as a second referee and keep the scorebook. Each team is required to provide one adult volunteer to line judge for each match. This season we will pay licensed officials \$20/match and schedule them for a three or four match block.

We have enclosed an availability sheet for you to complete and return to the CYO office by Friday, September 4th. We will continue to send you a weekly schedule via email each Monday throughout the season as to when and where you are assigned for the upcoming weekend. In addition, this schedule is posted on our website each Monday afternoon www.toledodiocese.org/CYO for your viewing.

We understand the demand for licensed volleyball officials in our area and we appreciate you considering working in our program. If you know of some new officials who will be getting their license this year who may be interested in working in our program, please have them call or e-mail us and we will provide them with some information.

We've also attached two working documents - our Guidelines for all CYO Fall sports and Best Practices for volleyball for your review in an attempt to provide as safe a playing environment as we can for our CYO athletes, coaches, officials, and limited spectators.

If you have any questions, please feel free to call us at 244-6711, ext. 4932. We look forward to hearing from you. Best of luck with your upcoming season.

Sincerely,

Catholic Youth Organization
