First Corinthians: The Church and the Christian Community explores the key elements that the apostle Paul introduced to a new and growing Church. Exodus: Called to Freedom

Ascension Press

BI 200.43 | Interactive | 2006 | DVD | Ten 30 min. sessions | Part of a Series

The Exodus can be viewed as the defining moment in Israel's history, for it was then that God called Israel out of slavery in Egypt and to a life of freedom as His people. Exodus: Called to Freedom looks through the lens of Christ and the Church to show that, more than just seeking to free His people from the domination of Pharaoh, God desired to free His people from the far more sinister tyranny of sin, so they could live the authentic freedom that belongs to children of God. Because of this, the Exodus story is not just Israel's story, it is our story as well; it tells us who God is and what He calls us to be.

Psalms: The School of Prayer

Ascension Press

BI 200.46 | Interactive | 2006 | DVD | Eleven 50 min. sessions | Part of a Series

With Psalms: The School of Prayer, The Great Adventure moves from telling the Story to making it personal. While the historical books of the Bible recount God's creative and redemptive acts in history, the Psalms reveal Israel's response to God's covenant offer and serve as a model for our response to Him. Indeed, one could say that the historical books tell the "outside" of the story of Israel by giving an historical perspective, while the Psalms tell the "inside" story, which comes from the deeply personal perspective of one who is seeking God. Our communication with God is enhanced by a deeper understanding of the book of Psalms.
