Ask most Christians what the word "stewardship" means to them, and you will most likely get answers that center around giving money to the church. But in reality, money is just one of the gifts God has given us to use to His glory. Faithful and Wise looks at how we can expand our giving into every facet of our lives:

Our possessions

Our time

Our talents and skills

Our physical environment

Our spiritual environment

Our money

When we serve God with all the gifts He has given us, the blessings to ourselves and others will be multiplied far beyond what we can imagine.
