

The referee is only human and mistakes will happen. Verbal abuse of the official is simply not acceptable. It spoils everyone's enjoyment of the game and it sets a terrible example for the players — our kids.

Please remember why we are here. It is for all the positive lessons team sports can teach our children and, just as important, it's for the fun of it.

If you have criticisms, compliments or concerns about officiating — contact CYO Athletics at 419.244.6711 or CYO@toledodiocese.org

THAT REF is Somebody's KID

Or Somebody's MOM OR DAD...

A person who cares about CYO Athletics and the players.
A person doing a tough job as best they can.
