

2020 HIGH SCHOOL ATHLETE AWARD RECIPIENTS

Beginning with the 2005 spring season, the CYO invited high school varsity track and softball coaches to nominate a senior athlete for the CYO Outstanding Athlete Award. This had been done in past years for basketball, cross country, football, soccer, and volleyball, but not for track or softball.

In order to be nominated, the athlete must be a senior varsity player who participated in the CYO track or softball programs respectively, while in grade school and must have a good academic and disciplinary record as well as strong leadership qualities. The nominee must also serve as a positive role model for the current players in the CYO program.
