- Each scrimmage will begin as a CYO match would - with the recitation of the CYO Team Prayer (beginning and ending the sign of the cross) and Pledge of Allegiance. Both courts will do this at the same time, together.
- The first team listed is the home team & is required to provide a leather game ball (must be a volleylite).
- All CYO cadet rules will be followed (21 ft. serving line, 7'0" net height, rotation after a player has scored 5 consecutive points, "all play" participation rule of 10 consecutive points in games one or two) for the 6th grade matches.

Please be conscious of the fact that these officials might be brand new. There will be adult OHSAA licensed officials helping them, but we ask for your patience if whistles are weak or calls are slow. This is a chance for our newer officials to gain some confidence and experience before the start of the season.

THANK YOU for taking part in this opportunity to help train our newer officials and get them some pre-season on-court experience!
