

## It's True. Guardian Can Help Pay For College.

Now Guardian plan participants can get insurance that includes a college tuition benefit. As the cost of college continues to rise faster than inflation and medical costs,<sup>1</sup> Guardian is helping families keep up by providing this exclusive benefit that can be used at close to 400 colleges and universities.

By enrolling in a Guardian plan, participants can earn 2,000 Tuition Rewards<sup>®</sup> annually for each type of Guardian insurance.<sup>2</sup>

Participants of Guardian Dental receive an additional bonus after four years.

Rewards can be given to children, grandchildren, nieces, nephews and Godchildren. When registered by a participant, they'll receive an additional 500 rewards each.

Rewards increase each year and participants keep them forever.

### College tuition rises year after year.

The average cost of a four-year college education is expected to increase over 140% by 2033.<sup>3</sup>

## A college tuition benefit that increases each year

In the following example, after the subscriber signs up, one child is registered and is given 500 Student Tuition Rewards points. If that child attends a participating SAGE Scholars College, the published full price tuition will be reduced by at least \$17,000, divided evenly over four years of undergraduate education.

### See how Guardian plan participants can earn even more rewards with multiple Guardian products.

This is just an example — participants can refer to their plan details to see what coverage they have.
