St. Peter’s Parish & School | Job Description

POSITION: Long-Term Substitute - Mathematics

STATUS: Substitute

DEPARTMENT: High School

REPORTS TO: HS & JH Principal

LAST UPDATE: March 3, 2022

Primary Job Functions:
Teach high school mathematics courses including Algebra and Geometry on a long-term substitute basis. This will primarily include teaching, grading assignments, and managing the classroom. A well-established curriculum will be provided to follow, so only day-to-day lesson planning will be required.

Qualifications:
Qualified candidates will have experience and confidence in teaching high school mathematics concepts. Candidates must have a teaching license, substitute license, or the ability to obtain such a license. Candidates from non-teaching backgrounds will be considered.

Salary and Benefits:
This position is a long-term substitute position, likely for the remainder of the 2022-23 school year. Pay will be offered on a daily basis at our long-term substitute rate.

Interested candidates should email their cover letter, resume and other relevant documentation to Jon Cuttitta, high school principal, at cuttitta.jon@myspartans.org.
